Este libro es el primero de cuatro volúmenes de una colección titulada 'Fe y vida'. Contiene artículos breves que abordan temas de la vida cotidiana, casi siempre iluminados por textos bíblicos que se proclaman en Misa. Con su manera de decir cosas profundas, pero de manera sencilla, su autora relaciona la vida y la Palabra, para ayudar al lector a descubrir qué sabroso es no sólo leerla sino saborearla, porque nutre y fortalece, habla al corazón y lo llena de paz, gozo y esperanza.
